Place of Hope

Mission: Place of Hope is dedicated to providing stable and loving family environments for children and youth who are hurting and their families. We are committed to meeting desperate needs in our community by sharing God’s love and placing hope in their lives – one child and family at a time.

Project: We would like to request a grant from Networking To Help Children toward our Regional Enrichment and Educational Overlay Child Welfare Project at Place of Hope. As a growing non-profit organization in a challenging economy, our programs are increasing in response to the need for comprehensive child welfare programs in Palm Beach County. We rely on community donations to run all of our programs; we hope to continue to partner with foundations like yours in order to meet the desperate needs in our community by sharing God's love and placing hope in their lives - one child and family at a time!

of Children Helped: The program is open to approximately 200 children and youth in Palm Beach County. However, the program is also open to Place of Hope foster children outside of the county as well
