First Tee of The Palm Beaches

Mission: To positively impact the lives of young people, including those with special needs, and veterans, by providing education programs that build character, instill life-enhancing values and promote healthy choices through the game of golf.

Project: Provide Summer and Fall First Tee programming in partnership with other youth serving organizations (including those with special needs) at our main facility in Dyer Park. We schedule weekly summer camps and/or 6-week sessions with each group. Example program partners: Boys & Girls Clubs, Suncoast High School, Baldwin Prep Academy, Urban Youth Impact, Youth Empowerment, West Palm Bach PAL, and Saturday morning Special Needs classes, Foster Care.

Also, with the tremendous popularity of golf, many new families are trying out golf for the first time. Many of these families are applying for financial aid to attend our open to the public programs.
