## Girls on the Run Palm Beach

**Mission:** Girls on the Run envisions a world where every girl knows and activates her **limitless potential** and is free to **boldly pursue her dreams**. Our mission is to create a world full of **joyful, healthy, and confident girls** acting on their **values** and opportunities, learning through a **holistic approach** to well-being. As the name implies, running is part of the program and is used as a physical means of exploring relevant topics, setting and achieving goals, and encouraging movement.

**Project:** Funding would be used to provide girls waiting for scholarships and subsidies through our GATHER (Girls Access to Health, Empowerment & Running) project.

GOTR programming is to **unleash confidence through accomplishment**, while establishing a **lifetime** appreciation of **health and fitness in mind, body and spirit**. GOTR is meeting a critical need in Palm Beach County’s Youth Master plan which identifies “lack of emotional supports, bullying and peer pressure” and “physical, emotional and mental stresses related to ... toxic environments” as key challenges.

**# of Children Helped:** 20 - 30 girls, ages 8-14
