Child Rescue Coalition

Mission: Child Rescue Coalition is a nonprofit organization that rescues children from sexual abuse by building technology for law enforcement, free of charge, to track, arrest, and prosecute child predators.

Project: Funding will support our **Protecting Innocence Through Technology** project and prevent crimes against children most at-risk in Palm Beach County.

Funding would provide training and support for local law enforcement agents in Palm Beach County on CPS Technology, a suite of tools that identifies, monitors, and ranks online behavior of predators, showcasing and targeting the offenders at greatest risk of abusing children.

of Children Helped: Each new officer trained can work approximately 6 cases a year. For each predator identified and stopped, an estimated 100 children are saved from sexual abuse.
