Grant Recipient  
\$5000

## Grace Place Lutheran Services

**Mission:** Lutheran Services Florida serves to bring God's healing, hope and help to people in need throughout Florida. LSF programs work to foster safe children, strong families and vibrant communities to the areas we serve.

**Project:** This grant would provide an opportunity for Grace Place youth to gain valuable workforce experience and have a safe, productive way to spend their time. A program would be developed to provide youth with the necessary supports and experience in developing job readiness skills. We would also cultivate relationships with select employers who could provide an employment opportunity for youth in an environment that requires no direct financial responsibility on the part of the business. The grant would afford youth an opportunity to be provided a wage for participating in job readiness training i.e. resume building, mock interviews, attaining soft skills. After successfully completing the readiness phase, youth would continue receive a wage as they are placed with selected employers.

**# of  
Children  
Helped:** 33 youth who reside in
