Horses That Help

Mission: Horses That Help provides free horseback riding and horsemanship lessons for children with special needs, at-risk youth, and teens in foster care. We create a welcoming, all-inclusive atmosphere where children can be children, enjoying animals and nature, regardless of physical or financial ability.

Project: This grant would fund an occupational therapist to assist us during our free events so the time each child spends on a horse is maximized for their ability and goals. Additionally, the grant would fund scholarships for private therapeutic riding lessons with a PATH certified Therapeutic Riding Instructor.
