Florida Fishing Academy, Inc.

Mission: The Florida Fishing Academy's (FFA) mission is to change the lives of our youth through environmental stewardship by providing inspiration and education through recreation

Project: Summer Camp Program funding... FFA would be able to take more students on a field trip designed to engage students with a class taught exclusively on or near the water at the Riviera Beach Marina, Munyon Island or Peanut Island. Students and their chaperones will depart from the Marine Center docks and kayak or boat to various snorkeling or fishing locations off the shores of Palm Beach County, particularly off Peanut Island

of Children Helped: 175-300
