

Special Covid-19 Impact Grants April 2020

“Boots on the Ground” Funding

Covid-19 affected all of us but hit especially hard organizations assisting underprivileged children in our local community.

The need for food, clothing, and shelter & mental health counseling has never been more acute. Recognizing this fact, Networking to Help Children has granted a total of \$18,000 to eleven (11) local based children's charities!

Each of these charities were chosen for the hand-on impact serving youth in our community. They are:

- 1) Vita Nova, Jupiter \$3,000
- 2) Hannah's Home of South Florida \$1,000
- 3) Mary's Home, Stuart \$1,000
- 4) Grandma's Place, Royal Palm \$1,000
- 5) Healthy Mothers – Healthy Babies of Palm Beach County \$1,000
- 6) CROS Ministries, Lake Worth \$1,000
- 7) Glades Youth Connection \$2,000
- 8) J Ministries, Riviera Beach \$2,000
- 9) El Sol, Jupiter \$2,000
- 10) Community Life, Green Acres \$2,000
- 11) The Life Center, Riviera Beach \$2,000

Thanks go out to all NTHC's supporters for helping to make this happen!
